

EMIRATES AVIATION EXPERIENCE

UNIQUE EVENTS

The Emirates Aviation Experience is a unique venue located on the Greenwich peninsula; a hub of activity and one of London's new exciting attraction areas. The venue opened its doors to the public in 2013, and has since hosted many private events, offering guests a different experience, where they can enjoy drinks and food as well as have fun, flying and competing on our flight simulators.

Upon arrival guests can experience a warm reception with a glass of Champagne, while in our Café area, they can socialise with restaurant standard food. Weather permitting, guests can also relax in our outdoor seating area, which offers beautiful views of the Emirates Air-Line cable cars and the River Thames.

A truly memorable experience; with our four state of the art flight simulators, guests can take to the skies and enjoy the thrill of flying, while competing for the best landing score. Our flight instructors can then announce and award the winners; a perfect ending to close your event while guests enjoy their last drinks and dessert.

For more information please visit our website at aviation-experience.com or email us at events@aviation-experience.com.

The Simulator Experience & Competition

Your event will include an amazing flight simulator experience, on board our two Airbus A380's and two Boeing 777's. While guests enjoy their drinks and food or other sessions, smaller groups will be lead to the simulators, where they will be greeted by our instrutors. Guests will form teams of pilots and co-pilots, and practice their flying skills, take-offs and landings. There are ten destinations to choose from, as well as different weather conditions and times of day.

The simulators experience is perfect for beginners. Our instructors will guide sessions, making sure everyone has a go. Guests are also encouraged to participate in our Landing Competition! At the end of your event we will announce the results, awarding the 3 best pilots or best teams with certificates from the Aviation Experience. Make the experience even more special by offering prizes for the competition, or offer everyone a souvenir picture from the A380 cockpit.
